Opprinnelse: CADLINK
Produktkode: CADLINK_OKI
Tilgjengelighet: På fjernlager
Vekt: 1.00kg
Mål: 0.00cm x 0.00cm x 0.00cm

Pris: 5841.25,-

Eks mva.: 4673.00,-

Kort beskrivelse

Software for å styre utskriftene dine. En stor hjelp ved bruk av den hvite toneren!

Beskrivelse

Digital Factory OKI™ Edition

With more features than most in-the-box printer drivers or other limited RIP software solutions, Digital Factory OKI Edition offers specialized color management and print production workflow software specifically designed for OKI white toner printers.

Supports the following printers: C3xx Series, C6xx, C7xx, C8xx Series, C843 Series, C8432WT, Pro 7411WT, and Pro 9420WT.

Extremely High Washability

Rasterized designs can be washed better than full scale designs, because the mechanical abrasion of the printed image is minimal in comparison.

Excellent results were especially achieved with polyester fabrics that were washed more than 40 times at 40°C without losing image quality.
